38-400-WFT-I: SPEC SHEET

38MM Flat Top Cap with Induction Seal Liner for PET Bottles

The 38-400 Flat Top Caps are great for sauce, beverages, dry goods, food oil, or your own specialty product. They feature ribbed sidewalls for a easy grip when securing the closure. The caps come with a induction seal foil liner that seals for a tamper evident seal with an induction seal machine. The liners have the text "sealed for your protection" in red print. Available in white.

Our bottles are manufactured with the highest industry standards using good manufacturing practices. All our products are produced in the USA.
