OV-WM2J-63-400: SPEC SHEET

2 lb (22 Fl Oz) Clear PET Wide Mouth Oval Honey Jar

The Clear PET (Polyethylene Terephthalate) Oval Honey Jars have the same design as classic glass honey jars and have a wider mouth for easier access to thicker honey. These bottles can hold 1 or 2 lbs of honey and have a 58-400 & 63-400 neck finish respectively. These queen line jars have a wide mouth opening, which allows the use of a honey dipper.

Our bottles are manufactured with the highest industry standards using good manufacturing practices. All our products are produced in the USA.
