WB-20B-PANO: SPEC SHEET

20 Fl Oz Clear PET Square Bottle – Tamper Evident PANO Neck – 40.5 g

The Clear PET Square PANO Beverage Bottles feature a 38-PANO neck finish, making them easy to fill with non-carbonated beverages. They come in 16, 20, and 32 fl oz allowing for an array of serving sizes. A PANO neck finish allows for a tamper evident seal with a detachable ring that, when twisted by the end user, will break away from the cap remaining on the bottle.

Our bottles are manufactured with the highest industry standards using good manufacturing practices. All our products are produced in the USA.
